Digital single : *FLYING CARS*

(release date : **30.09.2011**; COLLECTIVE.CH)

«... Here, everything was consumed with an insatiable eagerness before being discarded and forgotten. The VIPs of the night scarfed caviar off the tiny tatas of top-models, rented for the night. Flying cars hovered over the city-dwellers who stumbled, eyes glued to the screen of their new cell phones, the latest version just out this morning. Even the inhabitants seem not to touch the ground, hopelessly and obliviously lost in a cyber-reality... »
