

XEWIN

Album : *RETURNING*

(release date : **04.11.2011**; COLLECTIVE.CH)

«...The last thing we remember was the reconnaissance mission in Cosmozone A1-N0 and the deafening noise followed by the violent shaking of our spaceship.

My name is Xewin. Accompanied by my second in command, I am lost in the intergalactic, immensity of outer space. I know neither, our position, nor the date, much less how to get home. Here is my story... »

Extract of the log book, Day 0

Xewin (at righth) and his second in command ©julien mudry

Returning cover ©28g

Returning, the 2nd opus of the Swiss producer **Xewin** is an electro album, sprinkled with intergalactic hits and featurings of **Yarah Bravo** (UK,DE), **Lyn m.** (Aloan), Fauve and **Bobby Johnson**. **Returning** is also a genuine interstellar log book telling the adventure of **Xewin** and his second in command deep inside a retro-futuristic universe imagined by the graphic designer **Nicolas Perrin**.

The album's release party will take place on the 3rd November at Le Bourg in Lausanne, with the participation of Yarah Bravo, Fauve and Bobby Johnson
